GASHAR THOESAM NORLING SCHOOL

Dear Central Board of Secondary Education,

I am writing to inform you that our Gaden Shartse Thoesam Norling School is a monastery school that follows a unique educational philosophy. As part of this philosophy, we do not collect any fees from our students. Our aim is to provide high-quality education to all children, regardless of their financial background.

We understand that this may not align with the typical fee structure of schools under the Central Board of Secondary Education. However, we believe that every child deserves access to education, and we are committed to providing this opportunity to the students in our care.

We hope for your understanding and support as we continue to uphold our principles and values in education.

Sincerely,

Lobsang Tsering
